This camp's purpose is to provide children with autism and developmental disabilities a day camp experience that will allow them to feel comfortable in a safe, fun and nurturing environment. Your child will be in a camp with a maximum of 20 other children. Every week, campers will have a one-on-one teen aid assigned. We offer a variety of field trips and an opportunity to interact with other day camps that operate out of the YMCA. ## Camp COAST Middle (Ages 11-16)

Camp COAST Middle is teaming up with Impact Camp again this year for a unique experience for both camps, filled with learning and fun for all. IMPACT brings traditional campers and those with neurodiversity together for a unique summer experience, and to help those with neurodiversity to develop to their fullest potential. We strive to make the summer a fun learning experience by using group activities and games to teach the Y core values of caring, respect, responsibility and honesty.
