WHAT TO BRING

Lunch and 2 snacks. Campers will need a non-perishable lunch each day. There is no refrigerator or microwave available. Please pack your camper two snacks and water or 100% fruit juice. Due to hot weather and the possibility of dehydration, please avoid sending soft drinks.

Water Bottle. A labeled bottle for hot days.

Appropriate clothing. Dress to get messy. No sandals or open-toed shoes; tennis shoes and socks must be worn. Campers shouldn't wear good clothes. Camp is held indoors & out. A raincoat or poncho will be needed on rainy days.

Swimsuit and towel. Campers should pack a swim suit, towel and a plastic bag for their wet swimsuit every day in a backpack clearly labeled with their name.

Sunscreens. Please remember how sunny our Florida summers are. We strongly encourage you to apply sunscreen to your child prior to camp. We also recommend you send sunscreen to camp with your child. Please make sure it is labeled with their name. We also encourage you to send a shirt that they can swim in, especially if he/she is prone to burn.

Great attitude. Campers need to be prepared to have an active day outdoors. A good night's sleep and breakfast are essential for a healthy camper. Swimming, sports, games, songs, arts & crafts and much more will be offered during a regular camp day. Our goal is to keep everyone active and engaged throughout the day.

What to Bring

LUNCH AND 2 SNACKS: Campers will need a non-perishable lunch each day. There is no refrigerator or microwave available. Please provide your camper with two snacks and water or 100% fruit juice. Due to hot weather and the possibility of dehydration, please avoid sending soft drinks.

WATER BOTTLE: A labeled water bottle for hot summer days.

APPROPRIATE CLOTHING: Dress to get messy. No sandals or open-toed shoes. Tennis shoes and socks must be worn. Campers should NOT wear good clothes. Camp is held indoors and out. A raincoat or poncho will be needed on rainy days.

SWIMSUIT AND TOWEL: Campers should pack a swimsuit, towel and a plastic bag for their wet swimsuit every day in a backpack clearly labeled with their name.

SUNSCREENS: Please remember how sunny our Florida summers are. We strongly encourage you to apply sunscreen to your child prior to coming to camp. We also recommend you send sunscreen to camp with your child. Please make sure it is labeled with your child's name. We also encourage you to send a shirt that your child can swim in, especially if he/she is prone to burn.

GREAT ATTITUDE: Campers need to be prepared to have an active day outdoors. A good night's sleep and breakfast are essential for a healthy camper. Swimming, sports, games, songs, arts & crafts and much more will be offered during a regular camp day. Our goal is to keep everyone active and engaged throughout the day.
